

IZspirational Outlook

A year in review and our future!

*The Izzy Foundation is a nonprofit in Providence, Rhode Island whose mission is to design, fund and IZspire creative projects and programs that will help families **LIVE, LOVE, LAUGH and PLAY** during and after cancer.*

IZspirational Journey

The inspiration for The Izzy Foundation came from Isabelle Marie Wohlrab (Izzy), who was diagnosed with Stage 4 rhabdomyosarcoma cancer two weeks after her first birthday. Izzy maintained an incredible spirit over the next 2 1/2 years and spread joy and happiness to everyone who met her. Through her grace and determination, she showed everyone that she reached a glimpse of just how beautiful life can be. Even after Izzy earned her angel wings, she has inspired her parents, family, friends and countless others to continue with her philosophy to **LIVE, LOVE, LAUGH AND PLAY** through The Izzy Foundation. Initially created to defray the costs of Izzy's stem-cell transplant in Germany, the Foundation now seeks to design spaces, provide services and support to children with cancer and their families by implementing inpatient and outpatient services for pediatric patients at Hasbro Hospital, in Providence, Rhode Island, and nationwide.

Since 2011 when we began our IZspirational journey, we have raised over \$1,000,000 through fundraisers, donations, merchandise sales, and various other initiatives.

Together we have made it possible to provide many services for the families of pediatric cancer patients. Your contributions help with our many projects including: the building, design and creation of IZspiring spaces like the Izzy Family Room, a special playground in Pinecrest, NC, and the future Izzy Surgical Waiting Room at Hasbro Children's Hospital in Providence, RI, as well as The Izzy Family Room programs and activities, scholarships for pediatric cancer survivors and their siblings, and our Adopt-A-Family holiday program. Through the continued support of our donors and friends, we hope to provide even more services in the near future!

2017 GOALS

- Design and renovate the Hasbro Children's Hospital Pediatric Surgical Waiting room and create two surgical family consulting spaces
- Increase meals in The Izzy Family Room
- Provide more wellness days in The Izzy Family Room
- Increase academic scholarship funding
- Continue to provide comfort kits, i.e. toiletries and snacks, to families
- Maintain and develop additional program for children and families

Many Thanks

FROM THE WOHLRAB FAMILY:

*Thank you to all of our volunteers, sponsors and friends for helping us to make the last 5 years so IZspiring. Along the way, we have worked to help children with cancer and their families to **live, laugh, love and play**...just like Izzy did.*

Whether your help and donations have gone to the Izzy Family Room, the Izzy Scholarships, the Sandhills Children's Center playground, holiday Adopt-a-family or to the upcoming Izzy Surgical Waiting Room, we truly couldn't have done it without your support. Together, we are looking forward to making an even greater impact over the next 5 years!

Thank you and stay IZspired!

FROM ERIN SCOTT, EXECUTIVE DIRECTOR:

As I reflect on this past year, I have a deep gratitude for the dedicated and hardworking volunteers, interns, staff and hospital employees I am fortunate to work with every day. I know that there is no greater reward than the opportunity to partner with passionate people, and many of The Izzy Foundation's accomplishments are the direct result of your unwavering commitment to the mission.

To all those who contributed this year: our sponsors, donors, those who attended our fundraising events, provided a meal, supported a bereaved family or embraced the scholarship program, and also the individuals who gave of their time, talents and resources – thank you. I sincerely believe our successes would not have been possible without your efforts.

And to the families, thank you for letting me walk some of your journey with you. The Izzy Family Room is a special place, and I am honored to be part of your lives in this home away from home. I have laughed, danced, dined, played and cried with you, and I am IZspired daily by your courage. In the coming year, I commit to listening to your input as we develop new spaces and programs.

I believe the best is yet to come!!!

THE IZZY FOUNDATION REVENUE 2016

IZspirations 2016

IZZY FAMILY ROOM

The Izzy Foundation imagined, designed and funded the Izzy Family Room on the 5th floor of Hasbro Children's Hospital. Since its opening in April 2014, the Izzy Family Room has become so much more than anyone anticipated. It is a place for families to come for a cup of coffee, a family dinner or to relax during long hospital stays. There are also weekly yoga classes, family meals, birthday parties, comedy shows, hair cuts and massages, family movie nights and much more. What we couldn't anticipate is the peace families feel when they walk into the Izzy Family Room. The room has become one of the most frequently used spaces in Hasbro Children's Hospital.

The Foundation's creative design team was led by nationally recognized architect Tom Morbitzer from New York City, who donated his time for over two years to make sure this room was a space that would allow families a comfortable place to relax during their long hospital stays. The family space was inspired by Izzy and dedicated in her memory.

The Izzy Foundation is committed to maintaining the Izzy Family Room and facilitating family centered activities. The Foundation's Executive Director, Erin Scott, is continually finding creative ways to provide important services. If you have ideas or donations you would like to make to the Izzy Family Room, e-mail us at admin@theizzyfoundation.org or call us at (401) 331-4999.

HOLIDAY ADOPT-A-FAMILY

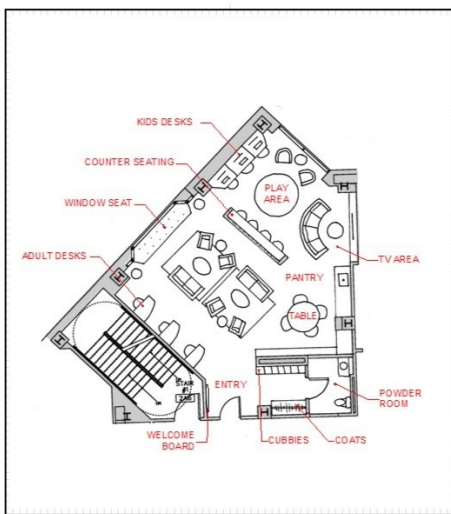

The Izzy Foundation understands that the holiday season can be an emotionally and financially challenging time for families who have a child that earned their angel wings, just like little Izzy. Therefore, The Izzy Foundation established an "Adopt-A-Family" program in 2013 for bereaved families.

Thanks to generous sponsors and community members, The Izzy Foundation provides holiday gifts for families who have lost a child to cancer.

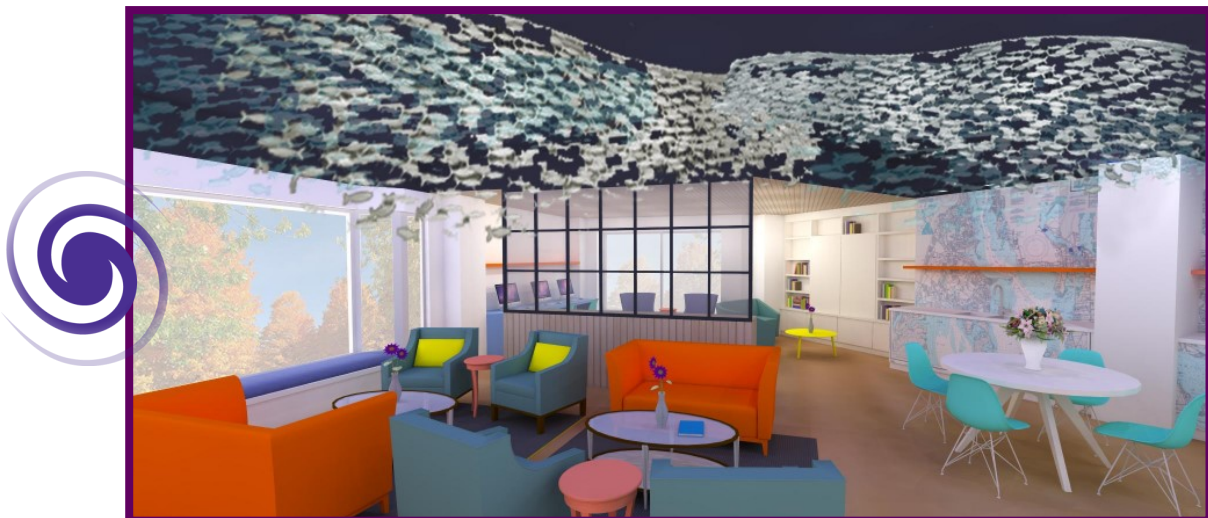

Future IZspirations

The Izzy Foundation is excited to partner again with Hasbro Children's Hospital and Thomas Morbitzer to make a new space at the hospital. We are currently raising funds to design and renovate the pediatric surgical waiting room located on the 2nd floor of the hospital. We want every family that walks through the doors at Hasbro Children's Hospital to feel comfortable while their child receives care.

The redesign and renovation of the surgical waiting room at Hasbro Children's Hospital will reflect top notch patient care that the dedicated surgeons and staff already provide. This much needed construction project will provide a comfortable area for families to wait throughout their child's surgery and will include private consultation rooms to discuss the results with their doctor.

5th Annual Izzy Gala

Our 5th Annual Izzy Gala, "Living In Lilac," was held on Saturday, October 1, 2016 at the Biltmore Hotel in Providence, RI. It was a fabulous and magical evening drenched in shades of purple! Our more than 400 faithful Foundation supporters returned to enjoy fabulous food, an extensive display of exciting and unique silent auction items, a very dynamic live auction, and our signature cocktail. Items included fine art, jewelry, excursion packages and professional sports memorabilia...just to name a few! Gala attendees also enjoyed a moving performance by the Rhode Island Children's Choir. To cap off the evening, Thirty Six Red, our sensational live band, played an exciting set that IZspired many to dance the night away! Thanks to our faithful supporters and over 40 volunteers, we raised over \$130,000 at this year's Gala!

More IZspiring Events 2016

FORE IZZY

The 4th annual "FORE Izzy" Golf Tournament took place at Wannamoisett Country Club in Rumford, RI on June 13, 2016. It was a beautiful day of golf, food, drinks, silent auction, raffle and fun! Even those who didn't golf were welcome to attend dinner and the auction. Some of the great auction items included vacations, signed items from the Boston Bruins, Lady Antebellum concert tickets, golfing packages to Quidnesset and Wannamoisett Country Club, to name a few! Thanks to our loyal supporters, we raised over \$32,000 to help with the ongoing maintenance of The Izzy Family Room and basic operational expenses for The Izzy Foundation!

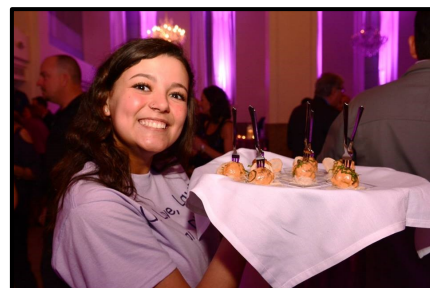

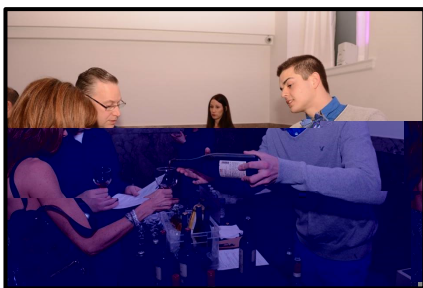

FEB FEST

The Foundation held our 5th Annual Feb Fest on February 20, 2016 at the Providence G Ballroom. It was a fun filled night of wine tasting from 5 countries provided by Gasbarro's Wines, good food, raffles, casino tables and more that benefited The Izzy Foundation Academic Scholarship Program.

This year, attendees were treated to live music and dancing from the newly formed IZZY ALL STAR BAND (IASB). All the musicians donated their time and talents to support our academic scholarship fund.

Thanks to our loyal supporters, this year's Feb Fest raised over \$24,000 for The Izzy Foundation Scholarship Fund, which was used to award academic scholarships to 24 pediatric cancer survivors and siblings!

2016 Scholarship Recipients

The Izzy Foundation offers academic scholarships to children with cancer (or survivors of childhood cancer) and to the siblings of those brave children that have battled cancer. In 2016, The Izzy Foundation awarded over \$24,000 in scholarships to 24 young people who have been affected by cancer. The Izzy Foundation offers scholarships in two categories: (1) K-12 grades, and (2) college and higher education. Our Feb Fest Wine Tasting event raised funds to support the Izzy Foundation Scholarship program. The scholarships are presented to the recipients at the Annual Izzy Gala in September.
